</tr>
</tbody>
</table>

**Tips:** Earning less than a C in any one course may delay student’s graduation by a full academic year. If less than a C is earned in two courses the student will be dismissed from the program.

* A grade of "C" or better is required.  
  **Bold** courses are semester only.

**Cumulative gpa of 2.5 or greater for all college coursework**  
- Students should check course descriptions in the undergraduate catalog for a full list of course pre-requisites.  

**Radiologic Sciences Program**  
- This Program of Study provides students with only a short summary of information and requirements regarding the Radiologic Sciences Program. Additional information and requirements can be found in the undergraduate catalog at:

  http://catalog.georgiasouthern.edu/undergraduate/  

---

**Admission Criteria**  
- 1. Cumulative gpa of 2.5 or greater for all college coursework  
- 2. Complete and submit TEAS-AH Exam scores to the Department of Diagnostic & Therapeutic Sciences, Radiologic Sciences by the admissions deadline of 3/1.  

**Additional Information**  
- Respiratory and all RAD SCI students are required to earn: basic life support (BLS), Respiratory and CVIS are required advanced cardiac life support (ACLS) certification, and/or others as needed.  
- Didactic classes will normally be taught in sequence. Some courses may be taught out of sequence with the approval of the department head, program coordinator, instructor, and availability of clinical seats. Not all programs will be able to teach courses out of sequence. This is providing that the responsible faculty member has workload availability.  

**In the event a student is dismissed from the degree for an ethical violation, that student is permanently barred from the degree with no option for readmission. Ethical violations are outlined in the Code of Professional Conduct. Since no list could include all possible situations the Code of Professional Conduct is not all-inclusive.**

**Core**  
- Radiologic Sciences majors complete the Clinical Health Professions Core

**Advisement**  
- Students are advised by assigned academic advisors on their designated home campus.
